

REMARKS

Applicant elects, without traverse, Group I, which Applicant understands to include claims 1-19 and 25-31. Applicant understands that the indication that Group II includes claims 1-24 is a typographical error and that the Examiner intended that Group II include only claims 20-24. Applicant kindly requests that the Examiner contact Applicant's Representative if this is not a correct interpretation.

Applicant cancels claims 20-24 (Group II) without prejudice, and reserves the right to reintroduce them in a divisional application at a later date.

The Examiner is invited to contact the Applicant's Representative if there are any questions regarding this response or if prosecution of this application may be assisted thereby.

Respectfully submitted,

JIN-JER HWAN ET AL.
